

**NLP and AI Community
based in Munich**

Who are Munich🥨NLP?

🌍 **Volunteer-run:** Powered by people passionate about language, AI, and making machines smarter

📅 **1–2 meetups per month:** Mostly in person, sometimes online for wider audience

🏢🎓 **Industry × Academia balance:** Practical insights meet cutting-edge research

❤️ **More than talks:**
AI is cool, but have you seen *humans*?

Topics:

Artificial Intelligence, Large Language Models (LLMs), Agents, Responsible AI, Efficient Models, Multilingual Data and Models,...

and more people beyond this photo...
